A festive Christmas scene featuring lit candles and red ornaments. The background is a warm, red-toned image of several lit candles, with their flames glowing brightly. In the foreground, there are several large, smooth red Christmas ornaments, some with silver caps and gold rings. Small white snowflake ornaments are scattered around the base of the candles and ornaments. The overall atmosphere is cozy and celebratory.

The true
light

*that gives light
to everyone
was coming into
the world.*
