The <b>Lethbridge Soup Kitchen</b> is a local non-profit organization that has taken on the challenge of providing hot/nutritious meals to our city's homeless population for the past 40 years. Our mandate/mission statement states simply that we will provide meals to those in need as a response to a Biblical mandate to do so. We also seek to provide public information/awareness on social issues such as Poverty, Addiction & Homelessness. We base our ministry on passages such as Matthew 25 and Isaiah 58 and are only able to do so with the financial support of churches like yours and with the daily assistance of our many dedicated volunteers.
