Taber Christian Schools operates two campuses teaching Pre-K - Grade 12. We are deeply grateful for the generous support of our church community. As a Society-operated, non-profit school, we rely on donations to help us continue providing Christ-centered education for our students. Each gift directly supports the growth and development of our school community, enhancing learning environments, supporting classroom resources, maintaining and improving our facilities, and expanding opportunities for students both academically and spiritually. Your generosity helps us nurture students to grow in their faith, develop their gifts, and become active, serving members of their communities. We sincerely thank you for your continued prayers and support.
