| <b>EduDeo Ministries:</b> Christ calls us to bring His Gospel to the ends of the earth – to all His children. That’s why we work with organizations serving in vulnerable communities – so all children, no matter their situation, have access to a life-transforming education. Education is one of the most effective ways to alleviate physical poverty, providing children better opportunities for employment and security. Children need more, however, than just physical well-being. They need lives of purpose, meaning, and joy. Christ-centred education teaches children to live as Christ - creating agents of transformation in the world. |                                                                                           |

**Sunday worship:** 2000 years ago, Jesus asked His disciples, "who do you say that I am?"  
Simon Peter replied, "You are the Christ, the Son of the living God."  
This morning, who do you say that Jesus Christ is?  
After all, He is the King of kings and the Lord of lords!

**LIFT-** We hope to meet up a couple times this summer, so stay posted on the WhatsApp group. Happy Summer!

**THANK YOU to everyone for such a wonderful week of VBS.** It wouldn't be possible without the amazing teachers, youth leaders and other volunteers. It was such a blessing to have almost 90 kids here learning about God, how we can grow closer to Jesus, how we can serve others, how we can love others, how we're unique and how we can use our gifts.

We truly appreciate everyone's support. Thank you to Taber Tim Horton's for donating donuts and Taber IGA for donating items for the light lunch. **Please be in prayer for the kids as they enjoy their summer and grow in what they learned at VBS.**
