Resonate Global mission joins with a diverse network of CRC congregations and other global partners with the main goals being to plant churches, send missionaries, and mobilize congregations to help bring others in need to Christ.

Rob & Leslee Oudman have been leading several missions programs in Nicaragua since 2010. Agriculture, Seniors care, education initiatives, addictions rehabilitation - all these are under the umbrella of NICARAGUAN MISSIONS. How does local culture shape our ministry goals? What are the objectives of long-term sustainable development? Does God have a plan for ME when it comes to international missions? What is a piñata anyway and how much candy can you fit into one of those things? These questions and more we will touch on at the "Nicaraguan Culture and Ministry Evening". **Come out to the Taber EFChurch at 6:00 pm on Sept 20, for a little fun, mission insight and possibly inspiration!**
