Congregation of Taber CRC,

I'm sure all are aware that the Government of Alberta is removing Covid restrictions starting July 1. As such, council has voted to follow suit. We will not require masks within the service and will be open at full capacity.

With that being said we will still offer masks and sanitizer for those who choose to continue wear them and sanitizing their hands. Please be respectful of those who choose to do so.

As we move forward, I 'm sure there will be some "uncomfortable" situations but we will work together as a congregation to get past those and focus on why we are gathering, to praise and worship our Lord and Saviour.

If you have any questions, please contact your district elder.

On behalf of council,  
Jeff Kooiker
