January 22, 2023

This morning we continue to look at Psalm 23 to begin 2023. Something that is completely countercultural is the idea of slowing down and finding we do not have to do everything on our own. We consider how we are to find true rest as we depend on our Shepherd for everything.

Taber Recover Group: Surveys suggest at least 2/3rds of Christian men struggle with pornography addiction, and it thrives in shame and isolation. You are not alone! January Offerings	
Jan 22	– Refugee Fund
Jan 29	– Cadet Sunday

Going forward into 2023 we are phasing out budget envelopes as very few church members use them. Each year the costs are rising and we can save thousands of dollars every year by eliminating this process. The good news is that we have lots of unused envelopes and anyone can use them. They are located by the church mailboxes; we just ask you write your name on the envelopes before placing in the offering bag as the number will no longer be applicable.
