Taber Recovery Group:
Surveys suggest at least 2/3rds of Christian men struggle with pornography addiction, and it thrives in shame and isolation. You are not alone! A group of men from our church are meeting monthly to provide community, accountability and support while keeping confidentiality. If you want to join us, meet one on one, or simply connect by email: taberrecovery@gmail.com.

Our mission statement at Taber Christian School & Taber Christian High School is to provide a Christian educational environment in the community of Taber, which uses Biblical teaching to prepare all students to reach their full potential, so they can serve others with a Christ-like attitude. If you are seeking transformative Christian education for your child, registration is now opened for the upcoming 2023/2024 school year at TCS & TCHS! If you have any questions, please feel free to come visit the school anytime or call

January 29, 2023

Sunday Service: This morning we continue to reflect on Psalm 23 for 2023. As we grow in our relationship with our shepherd, we learn to lean on him for all things. So much so, that when the “darkest valleys” of our lives come, we are comforted in his presence. We also have the privilege this morning to have Annette Lievaart share with us about her work in Kenya.

“Blessed Assurance: Jesus is Mine”
vs. 1, 3 (LUYH 363 G 490)

Going forward into 2023 we are phasing out budget envelopes as very few church members use them. Each year the costs are rising and we can save thousands of dollars every year by eliminating this process. The good news is that we have lots of unused envelopes and anyone can use them. They are located by the church mailboxes; we just ask you write your name on the envelopes before placing in the offering bag as the number will no longer be applicable.
