Taber Recover Group: Surveys suggest at least 2/3rds of Christian men struggle with pornography addiction, and it thrives in shame and isolation. You are not alone! A group of men from our church are meeting monthly to provide community, accountability and support while keeping confidentiality. If you want to join us, meet one on one, or simply connect by email, contact taberrecovery@gmail.com

Going forward into 2023 we are phasing out budget envelopes as very few church members use them. Each year the costs are rising and we can save thousands of dollars every year by eliminating this process. The good news is that we have lots of unused envelopes and anyone can use them. They are located by the church mailboxes; we just ask you write your name on the envelopes before placing in the offering bag as the number will no longer be applicable.
