The Elim Society for Seniors Care is approaching the annual general meeting on April 24, 2024. We are putting out a call for new board members and we ask that you prayerfully consider serving a term of three years. All that is needed is a heart for service to our seniors, a desire to see the continued success of the Elim Society and a voice in decisions that will affect the present and future of the two buildings under our care. There is no age requirement to serve on the board and no specific skill set is required. The board and sub-committees meet once a month. If you feel you may be called to this service, please contact the Society office at 403-942-2672 or 403-715-19259. You may also speak with any of our present board members to add your name.
